ABOUT CASA COOK

Casa Cook is a new collection of hotels designed to cater for trend-conscious travellers who seek a laid-back and authentic holiday experience. Casa Cook provides a home away from home, with an individual design that creates a warm and relaxed atmosphere. Guests can indulge in their love for fresh, locally produced food, feel rejuvenated and immerse themselves in their surroundings.

As adventurers, creatives, foodies and dreamers, we've travelled the world meeting like-minded souls along the way. With Casa Cook we aim to develop new places that bring together people with shared interests and ideals. Retreats for a community to connect and grow. With rich experiences shaped by urban cultures across the globe.

JOB PROFILE

Casa Cook Samos is looking for a qualified Spa Manager, who has a passion for total wellbeing on a holistic level, beyond just the traditional sense.

RESPONSIBILITIES

As part of the preopening team, the Spa manager is responsible for actively supporting the GM in choosing the Spa staff, building up a complete team of therapists, providing the new staff with trainings and setting up the treatment menus in alignment with the Casa Cook wellness standards.

- Provide exceptional leadership and a positive work environment
- Oversee all departmental functions including short- and long-term planning, as well as day-to-day operations
- Recruit, hire, and develop talented spa professionals
- Train, monitor, and coach performance of all sales and service staff
- Manage the Spa in the most efficient way, maximizing Spa occupancy and/or revenue in order to surpass budgeted objectives
- Continual development of Spa menu and wellness programs to ensure the guest experience
- Develop or implement marketing promotions

REQUIREMENTS

- Degree/Diploma in Spa/Physiotherapy would be also highly appreciated.
- Service focused personality is essential and previous leadership experience required
- Minimum 3 years management in a luxury resort and existing knowledge of overseeing wellness operations is required
- Ability to lead by example, believe in a strong team culture and set the scene for high performance
- The ability to maintain operating criteria, to create spa concepts/programs and be responsible for the coordination and scheduling of all Spa related services in relation to consistency with policies, company philosophy and objectives for the Spa
- Financial management skills including the ability to analyse financial results, forecasting and develop operating budgets
- Proficient in Microsoft Office
- Solid knowledge of Spa operations including systems
- A fast learner, with a positive attitude
- Fluent in Greek and English is mandatory
- Third European language will be considered as an asset
- Excellent personal presentation, interpersonal skills, and problem-solving skills

BENEFITS

- Join the Casa Cook team and help us continue our success story on Samos.
- Work in a unique, exciting and inspiring setting.
- Grow your career in a fast-paced international environment with hotels located around the world.
- Competitive salary.
- Accomodation & Meals
